### Project Health

ON TRACK

**Executive Summary:** Project Status is good right now. Currently, we should have a web server chosen and paid for to start within the next week or so.

### Accomplishments This Week

- ✓ Research of web-hosting and cloud providers.
- ✓ Business Card research
- ✓ How to network a portfolio for such reasons as per my goal.

### Plan for Next Week

- Will finalize which web-host and provider I will use for portfolio.
- Will start on paying for cloud host.
- Will work on admin portal and back-end set-up soon.

## Upcoming Milestones
