💾 Project Health

🟢 **ON TRACK**

Executive Summary: Project Health is going okay so far. Although the website building may be a bit slow, things are okay to start for the moment. I will update the project status and check the health within the next week.

☑️ Accomplishments This Week

1. ✓ I paid for the cloud provider.

2. ✓ I started editing the portfolio, and made some changes.

3. ✓ Edited my project charter and worked on my deliverables this week.

🗓️ Plan for Next Week

1. → Continue with the capstone project in CIS 4900.

2. → Look for positions in regards to deliverables.

3. → Continue to edit portfolio website, and research how to make details and sections for website.

4. → Look for more internship positions.
